ABOUT THE BOOK

SHADOW OF THE WITCH

A WITCH MYSTERY & UNTAROT APP

Will fortune favor the brave, or the grave?

In the shadow of tragedy, Brandy embarks on a quest for answers that leads to a mobster's mansion in Lake Tahoe. But what she finds within the Dragon House's walls is more than she bargained for: a murdered man and a medieval scroll on the alchemy of luck.

Digging deeper into the mystical world of luck and chance, Brandy becomes trapped in a web of magic and deception that threatens to unravel her reality. Brandy must race against time to solve the murder and decipher the text. And if she can't confront her deepest fears, she may lose everything.

Will fortune favor the brave, or will the grave claim her?

For fans of Deborah Harkness, Alice Hoffman and Paolo Cuelho comes a tale of magic and transformation amidst a world of shadows and secrets. Shadow of the Witch is an interactive, metaphysical mystery from the Mystery School Series that will leave readers spellbound.

ABOUT KIRSTEN

NAME PRONUNCIATION: KEARSTEN WICE

BIOGRAPHY

I believe in free-will, and that we all can make a difference. I believe that beauty blossoms in the conscious life, particularly with friends, family, and strangers. I believe that genre fiction has become generic, and it doesn't have to be.

Traditionally, women's fiction refers to stories where a woman—usually in her midlife—goes through a dramatic change. Now in my mid-fifties, I think more about the big “meaning of life” issues. It seemed like approaching those issues through a fictional mystery school would help me work out these ideas.
